2. Attached is some general information on the Symposium which will be useful for anyone planning to attend. I have received only one copy of the "Program Time Table and Abstracts of Papers" which provides information on the scope and content of papers to be presented. This booklet will be available in my office at any time.

3. The responsibility for coordinating Agency response to this invitation has been given to DD/S&T. No determination has been made yet on the size of the CIA delegation, and we are primarily interested at this time in an expression of interest from the various components of the Agency. Nominations from your office are requested no later than COB 3 November 1966.
